Birthdays	My World
Colors	Pets
Counting	Play
Families	Rhymes
Farm	Shapes
Feelings	Spanish-Español
Food	Spanish 2-Español 2
Friends	Things That Go!
Fun with Music	Toys

How to Place a Hold on a Theme Kit

By Phone

Call your local KCLS community library or the Answer Line, 425.462.9600 or 1.800.462.9600, and ask the librarian to place a hold on a Books to Grow On or Books to Grow On for Toddlers theme kit.

At the Library

Stop in your local library and place a "hold" on the Books to Grow On theme kit that you want. Kits can be found in the online catalog by doing a "Title" search and typing in "Books to Grow On" or "Books to Grow On for Toddlers." When looking for a specific theme, use the following format: "Books to Grow On Apples" or "Books to Grow On for Toddlers Families."

On the Internet

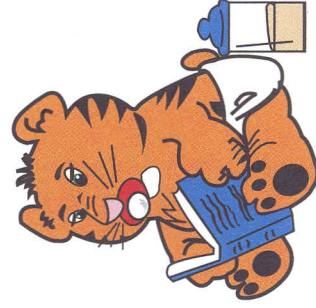

Go to the KCLS Web page at www.kcls.org.

Click on "Library Catalog." Follow the instructions provided to access the library catalog. Once connected to the library catalog, place a "hold" on the desired theme kit.

Remember

When placing your "holds", indicate the community library where you'd like to pick up the theme kit. You will then be notified when it is available.

Theme kits check out for three weeks, and you are allowed two renewals of three weeks each if there are no holds on the item.

What If a Theme Kit is Not Available When I Need It?

The libraries have copies of the Books to Grow On curriculum sheets listing theme kit contents, fingerplays and other activities. Ask the children's librarian for a copy of a theme kit curriculum sheet. Check to see if your community library has some of the titles listed. If not, then place a "hold" on an individual title. Also, try choosing a related theme (for example, instead of "Families," choose "Grandparents," "Aunts and Uncles," "Mothers," or "Fathers.") Most theme kit curriculum sheets and booklists are also on the Web. www.kcls.org/bookstogrowon

Books to Grow On Services for Adults Working with Children

The Books to Grow On librarian can provide workshops and talks for your group on how to make reading a significant part of your curriculum or home routine. Topics may include storytelling and read-aloud tips, how to access resources at a KCLS community library, or a discussion of great books to share with kids.

Groups that might be interested in this service include:

- Childcare centers
- Professional associations
- Parent education groups
- Head Start groups
- Education and child development conferences
- Family support agencies

For more information about BTGO Theme Kits, call the Books to Grow On office, 425.369.3323 or 1.877.905.2009, ext. 3323.
