RE: Kenmore and Sammamish Library Project Announcement of Architect/Engineering Teams Selected

The King County Library System wishes to extend our appreciation for the work and effort required to prepare statements of qualifications for the Kenmore and Sammamish Library projects. The quality of the submittals was outstanding and as a result it was a challenge to choose the finalists. The thought and effort required to prepare these submittals was evident to all of the reviewers.

KCLS and the selection panel chose

Weinstein AU for the Kenmore Library Project

Perkins + Will for the Sammamish Library

A list of all submittals is available at <http://www.kcls.org/buildings/#rfq>
In addition, the submittals are available for inspection at KCLS Service Center, 960 Newport Way NW. Please contact Kathy Svajdlenka- 425-369-3326, to review them.
